## SeaLife DC2000

**Stop by and check out this amazing camera.**

**Check out the pictures we posted on Facebook from our Bonaire trip.**

**99% were taken with the Sealife DC2000 camera.**

### SeaLife's most advanced camera

Enjoy full creative freedom with SeaLife's new DC2000 digital underwater camera. Featuring a large SONY® 1" type back-illuminated 20MP image sensor and RAW formatting capabilities, the DC2000 will let your underwater inspirations guide you to stunning results.

### Full featured with nearly unlimited editing options

With an ultra-fast auto focus and shutter response, you'll never miss a shot with the SeaLife DC2000. Take control of your creativity by selecting from the 8 shooting modes: manual, aperture, underwater, shutter, program, intelligent auto, land, and panorama. JPEG and RAW (Adobe .dng) imaging formats are available, providing you with nearly endless photo editing options.

### Get the best of both worlds

With DSLR-like imaging results, you'll want to make the DC2000's waterproof inner camera your go-to land camera with the ability to capture rich landscapes and stunning close-ups and portraits.
